### IMPORTANT NOTES:

- Vaccines are given by appointment only – you **MUST** be registered.
- As the slots in each of the above dates are filled, the link will shut down.
- Once you have an appointment, you are guaranteed a vaccine. Please do not arrive at the Middle School more than 15 minutes before your scheduled time.
- You will need photo identification (with birthdate) to receive your vaccine.
- There will be volunteers to assist you in the process from the time you enter the parking lot until the time you leave the facility.
- Once you have received your vaccine, you will be asked to stay in the observation area (inside the building) for an additional 15-30 minutes.
- You will be registered for your second dose of the vaccine while at the clinic – this dose will be given exactly 4 weeks later, again at the Burrillville Middle school. Do not register if you are not available for the 2<sup>nd</sup> dose four weeks later.
- You will be receiving the MODERNA vaccine.

***Note that If all of the above links fill, and you are unable to register for a vaccine through this venue, there are other avenues to try, including statewide distribution centers and pharmacies such as CVS and Walgreens.
