

The Jesse M. Smith Memorial Library

Weather Closing Policy

At the discretion of the Director, the Library may close early, delay opening time, or be closed all day when weather conditions warrant. If you are in doubt, please call ahead (401-710-7800).

Fine Calculations

Whenever the library elects to remain closed or chooses to close early, fines are suspended for materials which were due that day but could not be returned on that day. All materials due on the day of closing then become due on the next open day.

Children's Programs Cancellations

All children's programs will be cancelled if classes in the Burrillville Public Schools are cancelled, even if the library elects to remain open.
